Apprenticeship/Craft Trainer

A plumbing apprentice/craft trainer is a unique education opportunity where students gain specific skills and knowledge related to a trade/craft. Training combines supervised daily on-the-job instruction with your employer and classroom instruction in the evening at ABC of Oklahoma.

Program Overview

ABC's Plumbing Apprenticeship is a three year program with 170 hours per year of classroom instruction. Classes are held one night per week, 40 weeks per year.

Apprentice Plumbers receive on-the-job practical instruction working full time under the supervision of licensed Journeyman Plumbers. They receive instruction from trained instructors one night a week at Apprenticeship Classes.
